Our Campaign

- Data allows us set goals
- Building fund goal =
\$800,000 for phase 2
- No construction until 60%
(\$480,000 raised)

HBC Financial Facts

- 2014
 - 154 units (People who gave)
 - 108 units >\$200
- Assumption for Projected Plan:
80% (units >\$200) rally needed

3 Year Projection

Group	Annual Giving	Group Goal (3 Years)	Individual Giving Unit Goal (Annual)	Individual Giving Unit Goal (Monthly)
Legacy	>\$10,000 per year	\$192,500	\$21,389	\$1,782
Key	\$5000-10,000 per year	\$165,000	\$5,000	\$416
Core	\$1000-5000 per year	\$192,500	\$972	\$81

Can we meet our goal in 3 years?

- If 80% of people who regularly give, support this effort, then we should make it
- Sacrificial support is needed in addition to tithing
- Let the Lord lead you in what you need to do
